

This service that XM radio has provide to me has made my job of driving a truck much easier . Though this service makes it posible to void accidents and bad road traffic jams, it has improve my life and my ability to perfrom my job much easier. Xm Radio is the best thing to happen in my profession in 32 years of trucking. It is nice to be able turn a radio and get help and to enjoy a radio station across the nation. It is a plus for me and anuone else who would try it I love my XM Radio. I ask you to say no to the petition 04-160.

thanks
